

# Experiences that become lifelong memories

# Venice

March 2026 - February 2027

## Why choose Towns of Italy

As experience makers, crafting unforgettable moments is what we do best – and we have been doing so for over 20 years.

We don't simply offer experiences; we create journeys deeply connected to the cultural heritage and traditions of each destination – journeys that turn into lifelong memories.

Rooted in local culture and tradition, we have been shaping experiential travel in Italy since 2006, among the very first to introduce a new way of discovering the country. From the very beginning – with the first Vespa tours in Tuscany and the very first cooking class in Florence – our approach has been guided by three core values:

**High Quality**

**Authenticity**

**Innovation**

We create all our experiences in-house. This allows us to maintain full control over quality, safety, and the overall logistics of every single experience.

Our team of experience makers designs and manages more than 100 regularly scheduled small-group and private tours, as well as hands-on activities across Italy.
