experiences!**

A photograph of the Florence Cathedral (Duomo) dome, showing its massive brick structure and the ornate facade. In the foreground, two women are seen from behind, looking towards the cathedral. One woman has long, dark, curly hair and is wearing a light blue dress. The other woman is wearing a green dress and a floral patterned shawl. The scene is set on a rooftop or terrace with a low wall.

Why choose Towns of Italy

Territory-based strategy, well-trained team of professionals, top-quality connections with museums, our own fleet and locations are the key ingredients of creating an authentic, flawless travel experience for us. We create all of our experiences in-house: this allows us to have full control on the quality, safety and overall logistics of each single experience. We make and manage more than **100 regularly scheduled small-group and private experiences and hands-on activities**. **Towns of Italy** is the outcome of the longstanding expertise of Florencetown, tour operator in Florence and Tuscany since 2006, a trailblazer in creating a wide range of experiences: we were the first tour operator in Tuscany to offer experiences such as bike and Vespa tours. We opened and managed our **cooking school** in Florence, being pioneers in offering regular cooking classes in Florence, with guaranteed regular departure. As Towns of Italy, we are still committed to excellence, offering a continually renewed and diverse range of top-notch experiences all over Italy starting from Florence and Tuscany, then to Milan, Venice, Rome, Pompei and Sicily, in Palermo and Taormina. **Memorable experiences** tailored for a deep dive into the culture of our country and savor the Italian taste for life, inspired by 4 characteristics:
