# Why choose Towns of Italy

Territory-based strategy, well-trained team of professionals, top-quality connections with museums, our own fleet and locations are the key ingredients of creating an authentic, flawless travel experience for us. We create all of our experiences in-house: this allows us to have full control on the quality, safety and overall logistics of each single experience. We make and manage more than **100 regularly scheduled small-group and private experiences and hands-on activities**. **Towns of Italy** is the outcome of the longstanding expertise of Florencetown, tour operator in Florence and Tuscany since 2006, a trailblazer in creating a wide range of experiences: we were the first tour operator in Tuscany to offer experiences such as bike and Vespa tours. We opened and managed our **cooking school** in Florence, being pioneers in offering regular cooking classes in Florence, with guaranteed regular departure. As Towns of Italy, we are still committed to excellence, offering a continually renewed and diverse range of top-notch experiences all over Italy starting from Florence and Tuscany, then to Milan, Venice, Rome, Pompei and Sicily, in Palermo and Taormina. **Memorable experiences** tailored for a deep dive into the culture of our country and savor the Italian taste for life, inspired by 4 characteristics:

High Quality

Authenticity

Innovation
